Ocean nomad raft survival mod apk unlimited resources

Simulation simulation TREASTONE LTD Android 4.4 + Version: 1,165 \$0 Raft Survival: Ocean Nomad (MOD, Unlimited Coins) - survival simulator in the ocean - Raft. Your main goal is to survive on the raft, looking to keep food and water on the islands out as long as possible. Dive into the depths of the ocean to search for rare items, trash, copper, sand and other things to craft. Expand smoothly using the resources of the ocean. In this game you can fish, craft things and use the hook to collect different things. Updated to version 1.165! Survival on Raft: Ocean Nomad - quality adventure project about surviving on a raft floating in the ocean. The sharp melting of the polar ice destroyed the usual civilization and turned the planet into a huge ball covered with water. Floating debris allowing some lucky home-building platform to craft useful items to trade with others, as well as hopes of finding land scraps, for a full life in the new world. Supported Android (4.1 and more) Ice Cream Sandwich (4.0 - 4.0.4), Jelly Bean (4.1 - 4.3.1), KitKat (4.4 - 4.4.4), Lollipop (5.0 - 5.1.1 Marshmallow (6.0 - 6.0.1), Nougat (7.0 - 7.1.1), Oreo (8.0-8.1), Pie (9.0) Asked to travel the sea, perhaps everyone should fear that the sea killers are basking sharks. They appear everywhere in the sea, known as the most aggressive and aggressive in the ocean, so we always have to be careful and careful when you go out to sea, they can attack us at any time. Can you ever imagine the prospect of living with this fear? It's great to live with the sharks that can't hurt you, and the game: Ocean Nomad - Survival on Raft will be a great place to experience great things from the sea. In addition, this game is a survival game, your life in this game will be described in the most honest way, let me learn more about the story and how to play offline! New release in the series of ocean survival games John lives and works in London. Modern life puts its work on its shoulders every day. He felt tired and wanted somewhere to relax his soul, as well as for a holiday after long hard days. He decided to visit her grandmother in Africa, where she had a beautiful garden along with a farm, where he thought he would help me have a more vibrant spirit. Unfortunately, on his flight, his plane encountered a problem flying over the ocean. Planes crashed and people crashed into the water. He was washed up on an island, and now he must find a way to survive to return to the mainland and wait for the rescue team to rescue. Hundreds of weapons and items In this game, the player will be portrayed as John man and began his adventure in the sea. Although things are quite complicated, it that is missing is more dangerous to stick around, but the player must stay and support his life in any way. When the game begins, the player is dropped into a floating raft in the middle of the sea. With a single hook hook With a

few resources, the player must fight against the onslaught of sharks and other players around. At the same time, players must ride their boats to find the island to find food sources and a safe haven. The game offers many special constructions such as observatories, houses, kitchens or lighthouses. Players need to find the right fuel sources to build. However, in the process of exploring the island and collecting the necessary things, the player must also make weapons of his own for the body. On the dangerous islands such as wild animals or scary corpses, beware of the environment if they can appear anywhere. Temporarily Can life in harsh environments and so many dangers, so you live or not? The answer can only be found in Ocean Nomad – Survival on Raft MOD. Download this game and start your journey right away. In his spare time, immersed in a new life and many challenges so what is equal! To check the CPU and GPU of Android device, you use CPU-Z app Download latest APK MOD for survival on Raft: Ocean Nomad - Simulator, this MOD contains unlimited game resources. Download Now! Last Version of Survival on Raft: Ocean Nomad – SimulatorOcean Nomad is a new release in the series of ocean survival games featuring new enemies, items, RPG elements, survival on an island and ocean exploration on a boat. Build and upgrade your raft to survive in the sea, defend against sharks, and explore the vast world in the world. Try all our amazing survival simulator games rolled into one! Features of our game: ☆hundreds of weapons and items☆open world exploration☆realistic 3D HD - graphics☆survival on islands☆improved raft building Tips for apocalypse survival: 🐉Storage items and resources with your hook Many useful resources in shark games are right under your nose. Chests and barrels floating around always contain vital resources to survive in the sea and wreckage are really good material for raft building in the ocean games. You might even find items, tools and weapons for the defense of the raft, so keep throwing the hook! 🛠️Craft weapons and armor A prey can easily change the rules and become a hunter in shark games. Make a difficult choice between hundreds of guns, two - handed blade weapons and armor parts to defend your floating base and hunt sharks. Create a perfect arsenal and always be ready for battle. 🛡️Defens your raft Be ready to evolve and fight to survive in the sea with a double effort, now you have another problem to deal with. The shark is now accompanied by swimmers from other survivor games and eager to attack the raft. No one can tame a shark and there's nowhere to escape, so prepare to shoot and swing all night day long! 🏗️Build and Upgrade Pay attention to the condition of your raft on the water in survival games in the ocean. It is not enough to tie a few wooden planks together without a or even walls to feel safe. Be creative and expand the raft freely in height and width, because the only limit for building in survival simulator games 2018 is your imagination. There is also a lot of upgrades for fishing, storage area expansion, which will improve you from the floating shelter with to help you survive in the ocean. 🌊Explosion the ocean Ever wondered if there was lost land with forest forests, jungle and pets in this ocean without end? A great feature of our island survival games for free is now implemented in this. Don't sit idle - dare to explore the ocean and islands around. What are they hiding: horror or glory, medieval royal treasures or wild tigers and scary dinosaurs from the Jurassic era or even an old plane wreckage? What's more you will find resources, upgrades for the raft and other items on the islands. You don't need a ship or an ark to sail to them in shark games - a simple boat will do that, and the stars may be your guide. 📖Lethere the story of the apocalypse An unknown devastating disaster turned the world into an endless ocean and the last survivors are locked up on scattered islands like in prison, dreaming of finding their home. The search of our smooth game is to find them and discover the truth of what happened, find other people who can survive and join them. 🌐Survive on a raft The latest release of our offline survival simulator games is full of evolved enemies, new items and other features that will surprise everyone.
